ACCESSING EMSA

As a first step to get access to EMSA, you should have received an email, similar to the following one, after the administrator has created your account.

mer. 2019-09-11 10:59

EMSA Support CASM <support@emsa-casm.ca>
Password Recovery System

À ■ Kena-Cohen, Serge
Hi skenacohen,

To reset your password, click the link below and follow the instructions.

https://emsa-casm.ca/auth/password/reset/0dbb713f-1e19-499b-8b3f-ec5c02753b9b

This email was sent by EMSA eVouala at https://emsa-casm.ca/.
You can contact the administrator at support@emsa-casm.ca.

At the top of the email, next to the greeting, you will find your **username**.

Click on the link to reset your password. Once your account has been properly set up, you're ready to start using EMSA.

Follow the link to access the EMSA web site www.emsa-casm.ca

Note that you can change the language of the application using the language drop down at the top-right of the screen.
In the Username and Password text boxes, type in your credentials, and then sign in.

The first time you login, you will need to accept the Terms of Use by clicking on the appropriate icon, you will then be redirected to your default web mapping application.

FORGOTTEN USERNAME OR PASSWORD.

If you forget your username, you will need your email address as a mechanism to access your username.

Click on the option "Forgot Username?"
